Praia D'El Rey Golf Course

Praia D'El Rey is arguably one of the most stunning golf courses in Europe. Set among extensive pine forests and undulating dunes, with spectacular views over the Atlantic and the Berlengas Islands beyond. The 18-hole golf course was designed by the renowned American golf architect Cabell B. Robinson and was inaugurated on 14th June 1997. Deep bunkers, sloping greens and sandy dunes contrast sharply with the lush fairways, making it the complete golfing challenge.

West Cliffs Golf Course

An outstanding course to challenge the most passionate golfers. The varied landscape and natural terrain was maintained as undisturbed as possible to create a unique and world class 18-hole seaside links golf course alongside the silver coast. Rolling sand dunes interspersed with coastal vegetation, while the pine groves overlook the ocean from above. This privileged and exclusive location will mesmerise and challenge you to tame the forces of nature and perfect your game.

Royal Óbidos Golf Course

The golf course at the Royal Óbidos Spa & Golf Resort has received its own "real" treatment of world golf legend Severiano Ballesteros. Applying his art in the design of golf courses, the renowned golfer has created a truly exceptional course here, honoring the high quality standards of the resort. Designed to integrate subtly with the natural surroundings, taking advantage of the undulating terrain, this 6,400 meter course attracts golfers of all levels.
